Award Winning Energy Saving and Asset Protection Coatings

The application of Synavax™ Crystal on the tile roof of this Beverly Hills, California home was done in June of 2012. In 2013, the homeowner sent in a great testimonial as to his energy savings.

"I had my tile roof coated with Synavax™ Crystal a few months ago and on my most recent utility bill I had almost a fifty-percent reduction, from \$1,022 to \$604, which was an amazing result!

I was so impressed that I just ordered several gallons of HomeProtect™ to begin my interior wall and ceiling coating and I am looking forward to further reductions in my heating and cooling costs."
